Subject: Update Regarding Company Asset Handover

Dear HR Team,

I would like to inform you that I have reached Delhi and was planning to visit the office today, 09 November 2026, to submit the company laptop, charger, and other assigned assets.

However, before visiting the office, I came to know that the concerned team members responsible for receiving the assets are on leave from 09 November to 11 November 2026. Since the concerned team would not be available to complete the handover, I could not proceed with the office visit today.

The company assets are safe and currently with me. Kindly let me know the next available date or the appropriate person to whom I can hand over the assets.

I am ready to complete the pending asset handover and related formalities as per your guidance.

Thank you for your understanding.

Regards,

Dear HR Team,

Thank you for sharing the exit formalities.

I would like to inform you that I have completed the knowledge transfer for all the assigned projects, and all tasks from my side have been completed.

However, I could not visit the office on my last working day, 02 November 2026, to submit the company laptop and other assets. These assets are currently with me.

As mentioned in my previous email, I request you to kindly allow me to visit the office on **09 November 2026** to hand over the laptop, charger, and any other company assets to the respective teams and complete the pending formalities.

I apologize for the inconvenience and request you to kindly confirm whether I can proceed with the asset handover on 09 November.

Thank you for your understanding and support.
