Subject: Knowledge Transfer (KT) Completion – KGS

Dear Prashant Sir,

This is to confirm that I have completed the knowledge transfer (KT) for the following two modules of the **KGS application with sukhbahadur Sir**:

1. **Dashboard Report** – Covered the complete dashboard functionality, including:
    - KPIs and their calculations.
    - Assignment Status Overview.
    - Document Completion Progress.
    - NFRA Audits, Quality Reviews and Peer Review.

- Partner-wise and Assignment-wise P&L Analysis.
- Unresolved Tickets – HR, IT and Admin.
- Monthly Expense Analysis.
- Cash Flow Analysis.
- Budget vs Actual Cash Flow.
- Lap Days Analysis (Assignment to Invoice).
- Invoice Due vs Assignment Billing vs Cash Recovery.
- Staff Allocation vs Actual Timesheet Analysis.
- Admin and Partner dashboard views and their respective data-filtering logic.

2. **KRAs Management** – Covered the complete KRA functionality, including KRA upload, view, edit and delete operations.

The relevant documentation has also been prepared and shared for reference.

Kindly consider this email as confirmation of the KT completion for these two modules.

Regards,

Md Shahid Raza
